ATTORNEY GENERAL

Opinion No. 89-109

Cities and Municipalities—Miscellaneous Provisions—Investment of Public Moneys by Governmental Subdivisions, Units and Entities. Harold T. Walker, Kansas City City Attorney, Kansas City, August 31, 1989.

In our opinion, a multi-year investment of idle funds, under conditions enumerated herein, is permissible under the provisions of K.S.A. 1988 Supp. 12-1675, as amended by L. 1989, ch. 48, §66. Opinion No. 89-110

Waters and Watercourses—Water Transfers—Applicability of Water Transfers Act to Water Assurance Districts. Joseph F. Harkins, Director, Kansas Water Office, Topeka, September 1, 1989.

Release by the state of assurance waters out of the conservation storage water supply capacity of a federal reservoir does not constitute a transfer of water subject to the water transfers act. Cited herein: K.S.A. 1988 Supp. 82a-1330; 82a-1331; 82a-1332; 82a-1335; 82a-1345; K.S.A. 82a-1501; 82a-1502; K.S.A. 1988 Supp. 82a-1503, as amended by L. 1988, Ch. 356, §351. RLN

Opinion No. 89-111

Constitution of the United States—Amendment Fourteen—Due Process Clause. Robert J. Watson, Overland Park City Attorney, Overland Park, September 6, 1989.

Property seized from a pawnbroker and held by law enforcement officials for use as evidence in a criminal proceeding is regarded as being in *custodia legis* and subject to the court's order as to the disposition thereof in the same proceeding. If the property is identified as being stolen, it is the duty of the court and the state to see that the property is restored to its rightful owner at

the earliest opportunity. However, the due process rights of the pawnbroker must be respected, Wolfenbarger v. Williams, 774 F.2d 358 (10th Cir. 1985), and the court should provide the pawnbroker with notice and opportunity to be heard before releasing property to the apparent owner. Cited herein: K.S.A. 1988 Supp. 22-2512. TRH

Opinion No. 89-112

Insurance—Prepaid Legal and Dental Service Plans—Definitions; Prepaid Service Plan. Pamela Scott, Chief Attorney, Kansas Insurance Department, Topeka, September 6, 1989.

An organization that collects a periodic fee on a prepaid basis in return for a promise to provide selected dental services in the future at no charge or at a discount must conform to the requirements of the prepaid legal and dental service plans act, unless exempted by statute. Cited herein: K.S.A. 1988 Supp. 40-4201; 40-4203; 40-4207; 40-4209; 40-4211, as amended by L. 1989, ch. 145, \$1; 1987 House Bill No. 2564. MWS

Opinion No. 89-113

Criminal Procedure—Conditions of Release—Release Prior to Trial; Exoneration; Appearance Bonds. Senator B. D. Kanan, 5th District, Kansas City, September 6, 1989.

The purpose of an appearance bond is to assure the presence of persons accused of crimes at the time and place of the trial. The purpose of the appearance bond is deemed fulfilled when the accused appears for a hearing and a verdict is announced. Unless an agreement states otherwise, an appearance bond cannot be retained to insure completion of programs imposed by the court or payment of fines assessed against the defendant. REAL ESTATE COMMISSION

NOTICE OF HEARING ON PROPOSED ADMINISTRATIVE REGULATIONS

A public hearing will be conducted at 9 a.m. Tuesday, October 17, in Room 202 of the Federal Building, 444 S.E. Quincy, Topeka, to consider the adoption of proposed changes in an existing rule and regulation of the Kansas Real Estate Commission.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Commission, Room 501, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1220. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

This regulation is proposed for adoption on a permanent basis. A summary of the proposed regulation and its economic impact follows.

K.A.R. 86-1-13. The regulation provides that licensees submit to the commission a certificate of completion for each course completed to meet continuing education requirements. The amendment to the regulation allows licensees and schools the option of allowing the school to act as the licensee's agent for the purpose of submitting evidence to the commission of the licensee's completion of the course.

There will be no significant economic impact on either the licensees or the schools. The change should decrease data entry time of agency employees. The agency is unable to estimate the potential savings, as the number of licensees and schools who elect the new option cannot be predicted at this time.

Copies of the regulation and its economic impact statement may be obtained from the Kansas Real Estate Commission at the address given above, (913) 296-3411.

Completed minibond applications may either be mailed or hand delivered. No hand-delivered applications will be accepted before September 25, 1989. Mailed applications will be deemed to be received at the time they are individually time stamped on September 25, 1989, beginning at 8 a.m.

All applications must be accompanied by a certified check, cashier's check, or money order payable to Merriam, Kansas, for the total amount of the purchase. No personal checks, company checks or cash will be accepted.

The total purchase for or by a registered owner cannot exceed 10 minibonds (\$5,000) during the first 10 business days of the sale. The application permits the purchaser to select the maturity date(s) desired, if available, or to permit the city to select the maturity dates. On October 9, 1989, applications for the minibonds will be accepted on a first-come, first-serve basis for any and all of the minibonds remaining unsold.

Basis of Award

Applications will be honored on a first-come, first-serve basis and the city will return payment to unsuccessful applicants if the demand exceeds the available supply of minibonds.

Authority, Purpose and Security

The minibonds are being issued pursuant to and in full compliance with the constitution and statutes of the state of Kansas, including K.S.A. 10-101 to 10-125, inclusive, and K.S.A. 12-1736 et seq., all as may be amended, for the purpose of paying the cost of rehabilitating, remodeling and improving an existing building owned by the city into a modern community center located within the city.

The minibonds constitute general obligations of the city and are payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Legal Opinion and Tax Exemption

In the opinion of Burke, Williams, Sorensen & Gaar, Overland Park, Kansas, bond counsel, assuming continued compliance by the city with the terms of the ordinance authorizing the issuance of the minibonds, under existing law, the interest on the minibonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. No opinion is expressed re-

garding other federal tax consequences arising with respect to the minibonds.

The Internal Revenue Code of 1986, as amended, imposes certain requirements that must be met subsequent to the issuance of the minibonds in order for the interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the minibonds to be included in federal gross income retroactive to the date of issue of the minibonds. These requirements include, but are not limited to, limitations on the use of minibond proceeds and restrictions on the yield that may be earned on the investment of minibond proceeds and other amounts. In the minibond ordinance, the city will covenant to comply with the provisions of the code relating to the exclusion of the interest on the minibonds from gross income for federal income tax purposes.

The interest on the minibonds is excludable from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

The city has designated the minibonds as "qualified taxexempt obligations" within the meaning of Section 265(b)(3) of the code.

Prospective purchasers of the minibonds should be aware that: (1) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the minibonds or, in the case of a financial institution (within the meaning of Section 265(b)(5) of the code), that portion of an owner's interest expense allocable to interest on the minibonds; (2) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the minibonds; (3) for taxable years beginning after December 31, 1986, and before January 1, 1992, interest on the minibonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (4) for taxable years beginning after December 31, 1986, interest on the minibonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (5) passive investment income, including interest on the minibonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (6) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the minibonds. These categories of minibondowners should consult their own tax advisors as to the applicability of these consequences.

Delivery and Payment

The city will pay for printing the minibonds and the expense of legal services rendered to the city in connection with the minibonds and will deliver the same properly prepared, executed and registered without cost to the successful purchasers and will mail the same to the

registered owner's address within 30 days of completion of the sale, but no later than November 15, 1989.

CUSIP Numbers

CUSIP identification numbers will be printed on certificated minibonds, but neither the failure to print such number on or assign such number to any minibond nor any error with respect thereto will constitute cause for failure or refusal by the successful purchasers thereof to accept delivery of and pay for the minibonds in accordance with the terms of notice. All expenses in relation to the assigning and printing of CUSIP numbers on the minibonds will be paid by the city.

Minibond Rating

The city has not applied for a rating on the minibonds herein offered for sale.

Application Forms

All applications must be made on forms that can be obtained from the city either by telephoning the minibond hotline (913-722-3386), by writing to the city administrator or by applying in person at the City Hall. No additions or alterations in such forms may be made and any erasures may cause rejection of any application. The city reserves the right to waive irregularities and to reject any and all applications.

The total assessed valuation of the taxable tangible property within the city as of August 25, 1988, for computation of bond debt limitation is \$69,560,795.

Sealed bids for the purchase of \$178,000 principal amount of General Obligation Bonds, Series 1989, of the city hereinafter described, will be received by the undersigned city clerk of the city of Auburn, Kansas, on behalf of the governing body of the city at City Hall, 1250 Harrison, Auburn, until 7 p.m. C.D.T. on Wednesday, September 20, 1989. All bids will be publicly opened and read at said time and place and will be acted upon by the city immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof, except one bond in the denomination of \$8,000. The bonds will be dated October 1, 1989, and will become due serially on September 1 in the years as follows:

Year	Principal Amount
1990	\$13,000
1991	15,000
1992	15,000
1993	15,000
1994	15,000
1995	20,000
1996	20,000
1997	20,000
1998	20,000
1999	25,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1990.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the city, bonds maturing on September 1, 1997, and thereafter will be subject to redemption and payment prior to maturity on September 1, 1996, and thereafter in whole or in part on any interest payment date (bonds of less than a single maturity to be selected by lot in multiples of \$5,000 principal amount by the paying agent and bond registrar in such equitable manner as it shall designate), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the city is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

If the city shall elect to call any bond for redemption and payment prior to the maturity thereof, the city shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the registered owners of said bonds, to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 45 days prior to the redemption date. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various sanitary sewer improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city that must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the taxexempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of 'book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of taxexempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does not intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about October 20, 1989, at such bank or trust company in the state of Kansas or the greater metropolitan area of Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be at the expense of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.D.T. on October 2, 1989. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.D.T. on October 2, 1989, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the

bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$3,560, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city with the city reserving the right to pursue any remedies available to it as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms that may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to 7 p.m. C.D.T. on Wednesday, September 20, 1989.

Official Statement

Upon the sale of the bonds, the city will adopt an official statement in substantially the form as the preliminary official statement, subject to minor amendments and supplementation. Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, George K. Baum & Company, 1004 Baltimore, Kansas City, MO 64105, (800) 821-7195. Upon request, a reasonable number of copies of the official statement will be made available to the successful bidder without charge. Additional copies may be obtained at the expense of such bidder.
